1. Welsh Government assistance

Business Wales

The Welsh Government's Business Wales website and advisory service is the main source of information for businesses seeking support. It provides support through its helpline; provides online advice via the **Business Online Support Service** and through webinars; and delivers tailored support for young entrepreneurs through **Big Ideas Wales**.

The website outlines the business support the Welsh Government provides for start-up and existing businesses in Wales, as well as providing a **finance locator** to locate potential grants and loans available from the Welsh Government and other sources.

Website: <https://businesswales.gov.wales>

Telephone: 0300 060 3000

Email: [Enquiry Form](#)

Young Person's Start Up Grant

The **Young Person's Start Up Grant** is funded by the Welsh Government, and provides a grant of up to £2,000 to eligible young entrepreneurs. It supports young people who:

- Are not in education, employment or training
- Are working less than 16 hours a week
- Intend to become self-employed within 3 months of completing their education course

Website: <https://businesswales.gov.wales/bigideas/young-persons-start-grant>

Retail, Leisure and Hospitality Rate Relief Scheme

The **Retail, Leisure and Hospitality Rate Relief Scheme** is available to qualifying businesses who operate in the retail, leisure, and hospitality sectors. The aim is to improve the chances of recovery from recent economic challenges. Eligible businesses will receive a 40% reduction to their non-domestic rates net liability in 2024-25. The maximum cash value of the rates relief allowed, across all properties in Wales occupied by the same business, should not exceed £110,000. Local

authorities are responsible for the administration of the scheme.

Redundancy Action Scheme (ReAct+)

The ReAct+ programme is funded by the Welsh Government. The programme helps people who have been affected by redundancy and disabled people to get back into work. Employers using the programme receive £4,000 paid in four instalments over 12 months to help cover the qualifying person's wages.

Website: <https://businesswales.gov.wales/skillsgateway/recruitment-support/react>

Redundancy SMART Flexible Innovation Support (FIS)

FIS is a Welsh Government funded package of support and funding for Welsh organisations. It helps Welsh businesses to increase commercialisation, improve skills and strive towards carbon-free in the future. Support is available in a range of areas including partnerships, productivity and design, intellectual property and circular economy.

Brilliant Basics Fund

Brilliant Basics is a capital fund delivering small-scale tourism infrastructure improvements across Wales. The fund is open to local authorities or national park authorities, and the purpose is to deliver improvements in basic but essential visitor infrastructure at tourism destinations. The total grant available is £300,000 with a maximum intervention rate of 80%.

Website: <https://businesswales.gov.wales/tourism/finance#guides-tabs--1>

Export Zone

The **Export subsite** of Business Wales provides information on getting started with exporting, as well as online training courses and webinars. Additional support materials can be found on the **Export Hub**.

The **Export Brochure** includes details of the range of Welsh Government support available to Welsh businesses wishing to grow the exporting side of their business.

Overseas Business Development Visit Support (OBDV) is available to Welsh companies needing financial support to undertake international projects to win new business. OBDV can support 50% of the visit cost to a maximum of £10,000.

The **New Exporter Programme** is delivered on an annual basis to a cohort of micro, small and medium sized businesses in Wales who don't currently export. Recruitment takes place in the first couple of months of each financial year but any companies that wish to express an interest should contact internationaltrade@gov.uk.

The **Flexible Skills Programme** provides funding support to Wales-based businesses that wish to improve their capability to export their products and services. The programme supports up to 50% of training (within eligible training areas), up to a maximum Welsh Government contribution of £20,000.

Website: <https://businesswales.gov.wales/export/>

Development Bank of Wales

The Development Bank of Wales helps Welsh businesses by offering loans and investment from £1,000 up to £10 million. The Development Bank was established by the Welsh Government to make it easier for businesses to get the finance needed to start up, strengthen and grow. It manages a **range of funds** covering start-ups; business development and expansion; buying a business and management succession; developing a tech venture; and property development.

It also has an **eligibility checker** which businesses can use to see whether they may be able to receive assistance from the Development Bank.
